

A Selection of Patient Compliments Received 2015/16

The doctor I saw was professional, polite, put me at ease and I was pleased with the outcome. I didn't feel rushed either. Receptionist was very polite and helpful.

Excellent care very good and caring staff

I have been pleased with the service and was able to get an appointment when needed.

Always a friendly and obliging service and will always fit you in when you need to see someone urgently

Reception staff are always!! Pleasant and helpful to us...

The service was fast and efficient - it was clear the GP had read my file and new about my medical issue - well done to the whole team

I was listened to 'properly', examined professionally with all details explain what was to take place. I was taken seriously and feel thorough steps were being taken, swiftly to get to the bottom of the problem.

I think the treatment I received is very good

Very efficient staff and very helpful GPs

I find the receptionists at the health centre most helpful also the nurses and doctors that's why I would recommend them

A very friendly caring team of staff always willing to help

I have always received excellent care and consideration from the Doctors, Nurses and Receptionists.

Staff have always been helpful and friendly. Doctor listens.

Swift and pleasant service.

No wait. Quick efficient service. Very efficient and friendly receptionist to book follow up appointments.

Friendly staff, helpful and have never had any problems with appointments or general enquiries.

Friendly & helpful receptionists. Doctors, very informative, efficient & understanding.

Seen on time doctor listened to what I had to say and treated me for my problem. Excellent service.
