

Our receptionists are here to help you get to the right service. Please don't be offended if they ask what the problem is when you call to make an appointment

The receptionist might suggest other professionals that could help you better such as:

Opticians are qualified to deal with eyes and our team are able to help you by answering a few questions.

Pharmacists are able to help with many minor ailments and by answering a few questions our team can help you

Nurses are able to deal with complex health problems our team will direct you to a Nurse if other services are not suitable

Community Well Being Programme helping you live healthier and accessing programmes available to you our team know all about this service

Soar provides support to improve health, well-being and employability and many other services, please ask our team.

Visit our practice website to find out more about the full range of services available locally

Chapelgreen Practice

OR

CHAPELGREEN ADVICE CENTRE

35, STATION ROAD S35 2XE

Tel: 0114 2453262

Chapelgreen Advice Centre can help you complete forms, give advice and help with any of the following:

NHS low income scheme advice on completing HC2 or HC3 forms.

Care Allowance advice, P.I.P. (personal independent payment)

Attendance Allowance

Blue Badge Forms

As well as help with benefits such as – Job seekers, Housing benefits, Council tax support, Pension Credit, Bereavement benefits, Maternity allowance, Statutory sick pay, Disability living allowance, Crisis/Budgeting loan, Retirement pension, Consumer problems, Debt and Employment and many other areas.

Contact the Advice Centre above for more information

Or visit our website: www.chapelgreenpractice.co.uk

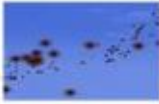

I HAVE THE FOLLOWING WHERE SHOULD I GO??

EYELID CYSTS AND STYES

VISUAL BLUR OR REDUCED VISION

FLASHING LIGHTS AND NEW FLOATERS

Non-Painful RED EYE

CHRONIC DRY OR IRRITABLE EYE

PEARS is a way for people who are experiencing ACUTE eye problems (problems that have begun very recently) to get the help they need quickly and easily. In the past, people experiencing acute eye problems would usually have to go to their GP. - **FOR MORE INFORMATION VISIT OUR WEBSITE www.chapelgreenpractice.co.uk**

YOU MAY REFER IN TO P.E.A.R.S. (Primary Eyecare Acute System) this is available to any patient registered with a Sheffield GP. Access this local expert service rather than waiting for a GP appointment or referral to a specialist clinic.

Anyone can visit a local optician who is in this scheme. FREE for the first and follow up appointments.

Your local Optician is A.J.HURDLEY, 125 HIGH STREET ECCLESFIELD 0114 2468127

PLEASE NOTE what an Optician will not see:

Children under 4 years old
Eye Emergencies – damage to the eye, post-operative infection, severe pain especially if associated with vision loss. Diabetic retinopathy, diagnosed glaucoma or cataracts. These have separate referral pathways.

SOCIAL PRESCRIBING SERVICE
