PRACTICE

Practice Complaints Procedure

HOW DO I MAKE A COMPLAINT?

If you have a complaint or are concerned about the service you have received from the doctors or any of the staff working at the practice, please let us know.

We hope that most problems can be sorted out easily and quickly, often at the time they arise and with the person concerned.

If your problem cannot be sorted out in this way and you wish to make a complaint, please let us know as soon as possible. Ideally, this should be within a matter of days or at the most, a few weeks. In this way it helps us to establish what happened more easily.

There is a maximum time limit for making complaints – complaints should be made within 12 months of realising that you have something to complain about. Complaints can be made in writing or verbally.

WHO SHOULD I CONTACT?

Complaints should be addressed to:

The Complaints Manager

Please email sheffield.chapelgreenreception@nhs.net with COMPLAINT NAME DOB as subject of email.

Alternatively, please use the form available from reception or on our website. Please fill and hand over to either surgery.

If you need help making a complaint as above, please speak to our reception staff who would be happy to help

WHAT WILL THE PRACTICE DO?

When we look into your complaint we aim to:

- Acknowledge your complaint within three working days.
- Agree a timescale for a response to be sent to you.
- Find out what happened and what went wrong.
- Make it possible for you to discuss the problem with those concerned if you would like this.
- Make sure you receive an apology where this is appropriate.
- Identify what we can do to make sure the problem does not happen again.
- We also aim to have looked into your complaint as soon as possible and then be in a position to offer you an explanation or a meeting with the people involved.

WHAT IF I AM COMPLAINING ON BEHALF OF SOMEONE ELSE?

We keep to the strict rules of medical and personal confidentiality. If you wish to make a complaint and are not the patient involved, we will require written consent from the patient to enable you to speak on their behalf. Where the patient is incapable of providing consent due to illness or accident, it may still be possible to deal with the complaint. Please provide the precise details of the circumstances which prevent this in your cover letter. We may need to correspond directly with the patient, or may be able to deal directly with the third party depending on the wording of the consent letter.

WHAT IF I DO NOT WANT TO SPEAK TO A MEMBER OF PRACTICE STAFF?

If for any reason you do not want to speak to a member of our staff, then you can request that the Integrated Care Board (ICB) investigates your complaint. They will contact us on your behalf.

South Yorkshire Integrated Care Board
